

Material Handling & Conveying Systems

SOLUTIONS PMG Inc.
PROJECT MANAGEMENT GROUP

Engineering Services and Innovative Technology Designed to Improve Your Material Handling and Conveying Needs

Solutions PMG is a process design and project management company focused on providing industry with innovative technology and manufacturing process solutions. We have the unique ability to provide a single source for engineering, design, fabrication and the installation of complete turn key process solutions.

The core component of ***Solutions PMG*** is comprised of a team of senior engineers and project managers. We employ a unique strategy of bringing together industry leading manufacturers with experienced engineering associates, to design and implement new technology. This integrated structure will enable our clients to enhance their process management and improve their productivity, safety and profitability.

Areas of Expertise Include

- Material Handling & Storage
- Flat Top Conveying Systems
- Automation & PLC Control
- Seamers
- Palletizing - Pal & De-pal
- Stacking & Rack Systems
- Elevating & Lift Systems
- Packaging
- Process Piping
- Dust Collectors
- Filtration Systems
- Structural Design
- Pressure Vessels
- Pressure Piping
- OHSA Requirements
- Pre-Start Safety Reviews

871 Victoria St. N. Suite 203, Kitchener ON Canada N2B 3S4
Tel: (519) 576-7728 Fax: (519) 576-0873

BENEFITS OF OUR EXPERTISE

Solutions PMG have extensive experience designing custom material handling & conveying systems. We will provide a complete turn key solution that is specifically designed based on your requirements.

The Benefits of Our Expertise Are Clear!

- √ Diverse Equipment & Industry Experience
- √ Improved Process and Quality
- √ Minimize Production Downtime
- √ Single Source Responsibility
- √ Reduced Project Time & Cost

SERVICES PROVIDED

- Engineering Services
- Project Management
- Manufacturing
- Quality Assurance
- Pre-Start Safety Reviews (PSR)

AUTOMOTIVE EXPERIENCE

- Cooper Standard Automotive, Stratford ON
- Wecast Industries, Wingham ON
- Honda of Canada Mfg, Alliston, ON
- Cami Automotive, Woodstock, ON
- Fram Canada, Stratford, ON

ENGINEERING

- *Solutions PMG Inc.* offers a single source for the concept and final design of individual units, or a complete integrated system customized for your specific needs
- Solutions PMG Inc. will provide industry specific engineers to prepare conceptual, design and detail drawings
- All drawings are prepared with the latest version of Autocad , with 3-D capability
- Member of the Association of Professional Engineers of Ontario

PROJECT MANAGEMENT

- Define the project parameters
- Generate feasibility studies to support project parameters
- Develop plant and process conceptual design
- Prepare budget estimates for project
- Prepare project scheduling to minimize downtime
- Obtain required approvals, licenses and permits
- Prepare, issue and review tenders, quotations and contracts

MANUFACTURING & PROCUREMENT

- Ready access to a diverse group of high quality equipment manufacturers with state of the art equipment
- Source, pre-qualify and select subcontractors to ensure their expertise matches the specific requirements of the project
- Audit subcontractors' quality control programs to ensure equipment and installation will meet or exceed project specifications
- Monitor subcontractors production schedules to ensure delivery dates will be achieved

CERTIFICATIONS

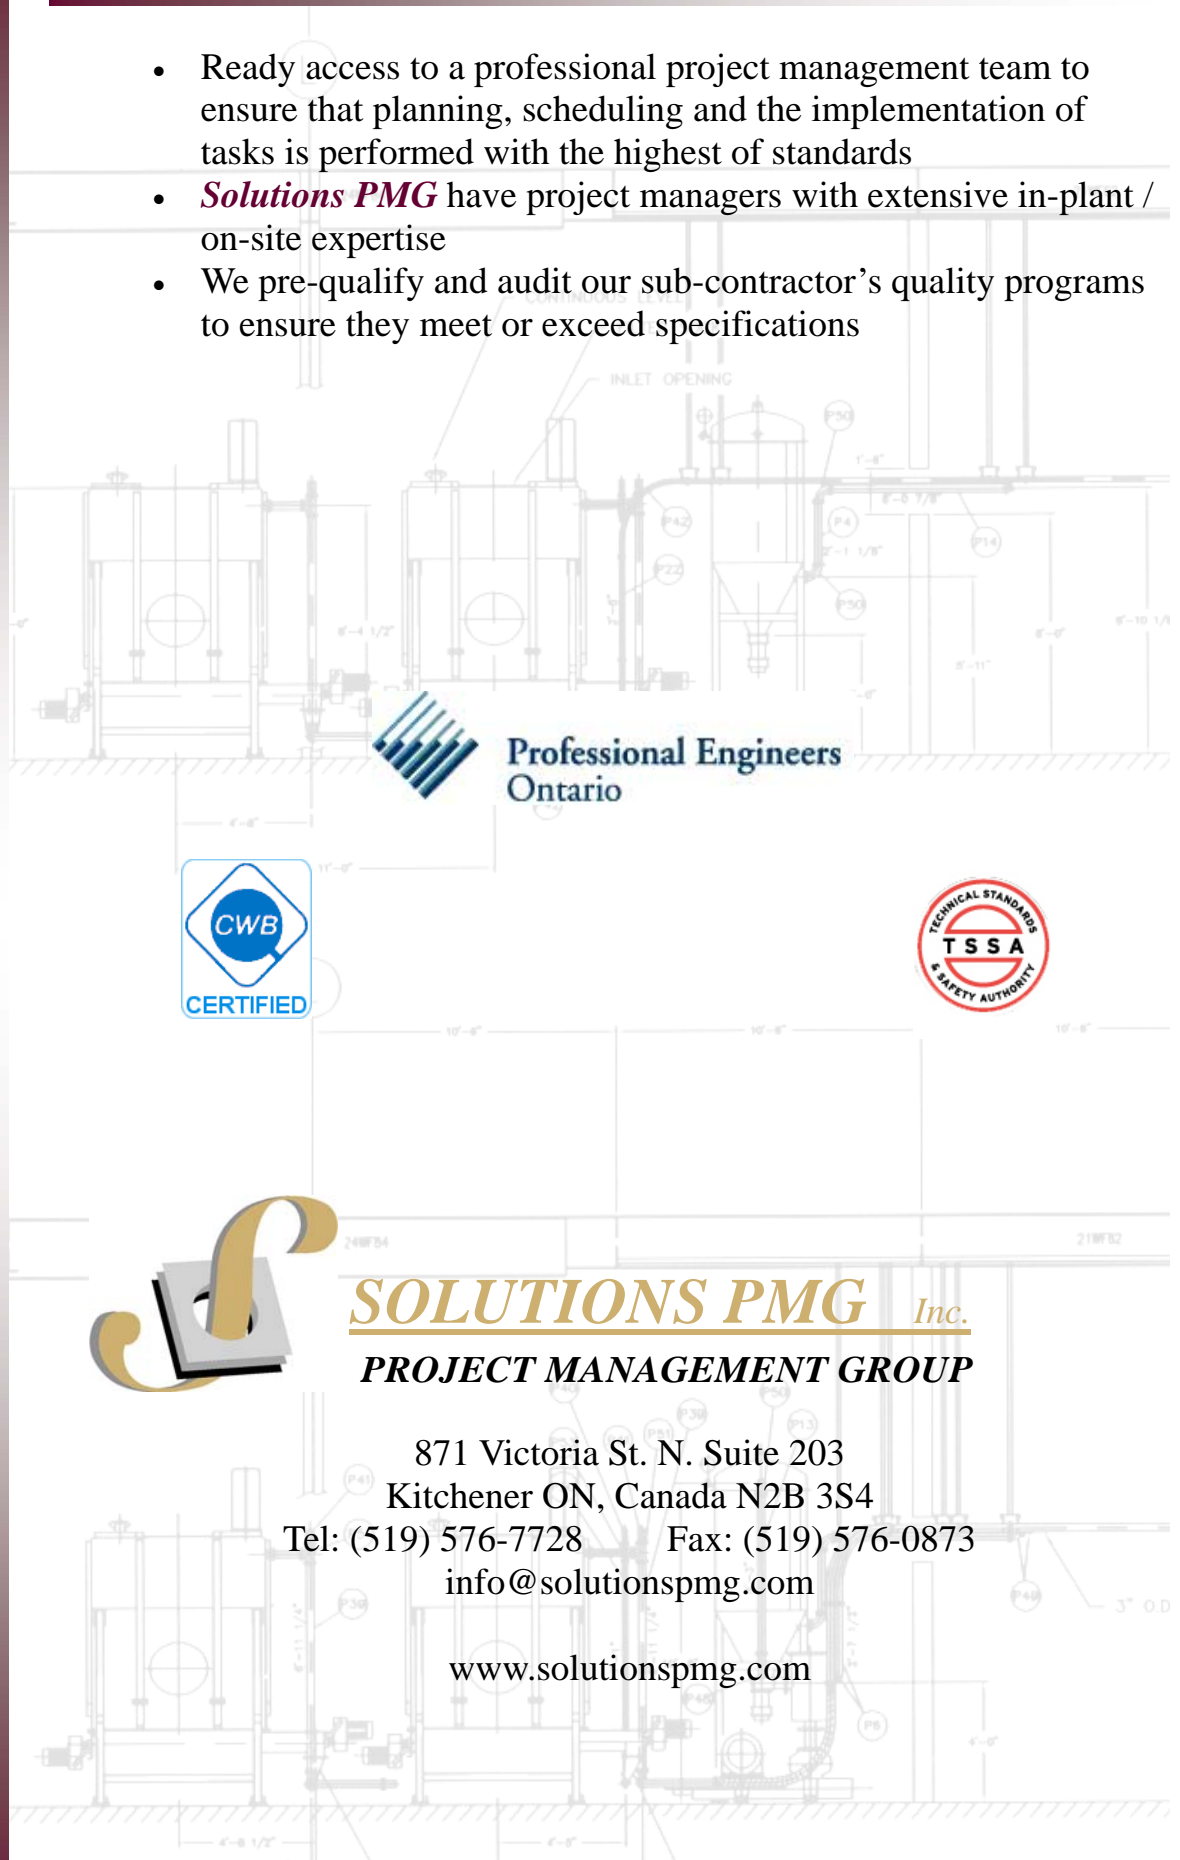

- CWB Certified to CSA Standard W47.1, Division 2.1, Fusion Welding of Steel Structures
- CWB Certified to CSA Standard W59, Welded Steel Construction
- TSSA Certified Boiler and Pressure Vessel Safety Program
 - Authorized to perform manufacturing and installation of pressure vessel piping systems
 - Authorized to perform repairs and alterations of boilers, pressure vessels and pressure piping systems

SOLUTIONS PMG INC.

Material Handling & Conveying Systems

QUALITY ASSURANCE

- Ready access to a professional project management team to ensure that planning, scheduling and the implementation of tasks is performed with the highest of standards
- **Solutions PMG** have project managers with extensive in-plant / on-site expertise
- We pre-qualify and audit our sub-contractor's quality programs to ensure they meet or exceed specifications
